Field Hockey became a varsity sport in the fall of 1923 and continued through the fall of 1930. Shortly thereafter, the women's athletic staff decided to eliminate varsity sports teams for women and replace them with an intramural sports program. In 1972, the University re-instituted varsity field hockey and the activity has flourished over the past 25 years.

AMERICA EAST

Establishment of the North Atlantic Conference (subsequently renamed America East) in the late 1980s provided, for the first time, round robin scheduling in Division 1 for Maine's field hockey program. Charter members were Boston and Northeastern Universities and the Universities of Maine, New Hampshire, and Vermont. The U. of Delaware and Drexel U. became members in 1991. Hofstra and Towson Universities became members in 1995. The U. of Albany became a member in 2001.

The U. of Delaware and Drexel, Hofstra, and Towson Universities resigned in 2002. The U. of Maryland at Baltimore County became a member in 2003. Northeastern U. resigned following the 2004 season.

The league instituted a post-season tournament in 1990 involving the top four teams in the final regular season standings. Following are the final standings for each season.
