COACH OF THE YEAR

Coach Art Guesman (right) was selected by his fellow coaches as Coach of the Year in America East in 1989 after leading the Black Bears to a second place finish in the conference and a 23rd place finish at the NCAA Championships. Guesman, a professor of journalism, receives his plaque from Len Harlow, assistant commissioner of the conference. Harlow joined the conference staff after retiring from the University. He served as Director of the Department of Public Information and Central Services and also, for several years, as the UM Sports Information Director.

(Effective with the 1979-80 college year, with new NCAA scheduling regulations in effect which mandated a higher number of matches involving large, multi-team fields, it became difficult, if not impractical, to compile seasonal win-loss records as was the case when matches were two-team contests.)

1984 BLACK BEARS

Maine's golf program enjoyed considerable success during the mid- and late-80s under the direction of Coach Art Guesman, a professor in the University's journalism department. In 1989, the Black Bears made history by becoming the only UM golf team to advance to the NCAA Division I national championships. Member of his first team, in 1984, were, front row, left to right: Eric Sandman, Coach Guesman, and Guy Gagnon. Back Row, left to right: Scott Storgaard, John Jickson, Capt. Keith Patterson, and Chip Ranco.

Beginning in 1979, new NCAA regulations mandated a higher number of opponents for Division I teams. To comply, colleges established invitational weekend tournaments with fields of, on average, 15 or more teams. Dual matches, for the most part, became a thing of the past. Also, a majority of tournaments were scheduled during the fall. Outstanding individual performances that were located are listed. (Note: some schedules between 1979 and 1983 may be incomplete.)

THE FATHER OF MAINE GOLF

After several years of existence of a club golf program at the University, the activity became an official varsity sport in the spring of 1938. Credit for moving golf to varsity status goes to **William C. "Bill" Wells**, captain of Maine's 1931 baseball team and one of the University's more prominent athletes of his era. Wells, himself an avid golfer at the Penobscot Valley Country Club, was a career-long UM administrator before retiring as director of residence and dining halls in the mid-1970s. He was able to persuade the University administration in the fall of 1937 that golf should become a varsity program and it would bring credit to the University with costs at a minimum.

Wells volunteered to coach the golf team in 1938 and 1939. Following World War II, he was able to convince Charlie Emery, long-time pro at PVCC, to serve as team coach. The Black Bears prospered under Emery, posting winning records in 12 of his 15 years at the helm.

AMERICA EAST

America East, formerly the North Atlantic Conference, instituted an annual championship tournament in golf in 1988. Charter members were Canisius and Siena Colleges; Colgate, Niagara and Northeastern Universities; and the Universities of Hartford, Maine, New Hampshire and Vermont.

Canisius and Siena Colleges and Niagara University resigned in 1989. Colgate U. resigned IN 1990. Boston U. became a member in 1990. Drexel U. and the U. of Delaware became members in 1991. Northeastern U. discontinued men's golf in 1996.

*Hofstra U. became a member in 1994. Towson U. became a member in 1995. The U. of New Hampshire discontinued men's golf IN 1997. Drexel, Hofstra and Towson Universities and the U. of Delaware resigned in 2001. **The U. of Maine discontinued men's golf in 2001.***

Team scores of the annual championship tournament in the years in which MAINE competed are listed below.

(Note: tournaments were held during the fall in the 1988-89, 1989-90, 1996-97, 1997-98, and 1998-99 college years and in the spring in all other seasons.)

MAINE STATE SERIES

The University of Maine's first formal golf team entered Maine State Series competition in 1938, joining Bates, Bowdoin and Colby Colleges. Determination of a team champion varied from season to season. In some years, it was based on head-to-head match play. In other years the champion was determined on a point system at a single day tournament or as the result of matches played throughout the season.

State Series golf competition ended in 1974.

Standings for the seasons 1937-38 through 1957-58 could not be located; however, team champions for those seasons are listed, as well as final team records for seasons 1958-59 through 1973-74.

FRESHMAN / J.V. GOLF

The first sub-varsity letter awards were presented in 1946 to players who were members of the varsity squad, but did not play in enough matches to qualify for a varsity "M". A year later, the first freshman team appeared and that program continued until 1971. Coaches of freshman teams were:

1947-61 Charles J. Emery 1962-69 J. Brian McCall 1970-71 Thomas N. Chappelle

A freshman golf program was conducted at the Brunswick Annex between 1947 and 1949. Members of those teams received a freshman letter award. Coach of the teams was Karl Kalloch.

MATCH SCORES

(Orono)

Over the years, freshman team schedules were brief and, in some years, virtually non-existent. Weather, budgets, opening date of the Penobscot Valley Country Club, and the availability of team candidates determined the scope of the program. Results of matches that were uncovered are shown here.
