Construction of Memorial Fieldhouse in the mid-1920s made it possible for the University to establish an indoor track program. The massive structure, at the time the largest indoor fieldhouse in the nation, was financed by donations from literally thousands of UM alumni in honor of the men who served their country during World War One. The building provided space for all the events...dashes, middle distance and longer races, jumps, pole vault, and weight throws that are a traditional part of the indoor track schedule of events. The first indoor track team appeared in the winter of 1925-26. Prior to that year, the University fielded a relay team (mile / two mile) and the results of their competitions may be found in the section on Relay.

Also, during the early years of the indoor track program, a number of athletes earned a "combination" varsity "M" in indoor track and relay. Names of those recipients also may be found in the section on Relay.

CONGRATULATIONS!

Three of the most prominent figures in UM sports history are shown here. Track Coach Ed Styrna and Maurice Ginton, indoor track captain, accept the 1972 state championship trophy from Athletic Director Hal Westerman. Ginton was a multiple state, New England, and Yankee Conference champion in the sprints and long jump while the coaching records of Styrna and Westerman are of legendary stature. Styrna, Ginton, and Westerman each were early inductees into the University of Maine Sports Hall of Fame.

MEMORIAL FIELDHOUSE

Hundreds of alumni and friends of the University pitched in to finance construction of Memorial Fieldhouse in the mid-1920s. When it opened in 1926, it was the second largest building of its kind in the country. For the past 81 years, it has been home to the indoor track teams, as well as providing practice space for teams in many other sports.

1956-57 — A MEMORABLE SEASON

The 1956-57 indoor track season may be remembered for several reasons. It was Coach Ed Styryna's first year at the helm and the Black Bears were undefeated, winning all five meets. The Black Bears crushed New England rivals New Hampshire by 29 points, Connecticut by 38 and Northeastern by 23. The roster included Bill Schroeder, who set a new UM pole vault record of 13' 2 1/2", and Bill Finch who established a University record of 23' 5 1/4" in the broad jump. Distance runners Dan Rearick, Dick Law, Joel Stinson, Karl Kraske and Dale Bessey were among the best in New England. Front row, l-r, Leland Hall, John Lane, Capt. Joel Stinson, George Noddin, and Bill Schroeder. Second row, l-r, Dave Maxey, Phil Haskell, Rodney Spearin, Bill Finch, Dan Rearick, Wes English, and Dale Bessey. Third row, l-r, Dave Linekin, Bob Hastings, Cal Bickford, Dick Law, Phil Emery, Karl Kraske, and Coach Ed Styryna.

1954 UNDERGRADUATE 'M' CLUB

It was quite an honor when athletes received their varsity "M" sweaters and became members of the Undergraduate "M" Club. Sadly, the awarding of sweaters or jackets seems to have gone by the boards in recent years. Among wearers of the "M" in 1954 were, front row, l-r, Charlie Otterstedt, Bruce Munn, Dexter Early, John Randall, Lew Clark, Edward Hansen, Don Douglas, Rod Cyr, and Everett Dalrymple. Second row, l-r, Tom Shea, William Meyer, Bob Nixon, John Dana, Perley Dean, Art Withington, Chandler Coddington, Cole Nice, Ted Maher, Ernie Smart, and Don Mavor. Back row, l-r, Ed Lyon, Paul Firlotte, Tom Pike, Chet Campbell, Ron Herzberg, Paul Hanson, Ken Barnard, Charles Kasmer, Bruce Clifford, Bill Calkin, and Bill Grove.

DERECK TREADWELL

Dereck Treadwell (left) was one of Maine's most outstanding distance runners during the late 1990s, winning no less than four America East titles and two New England crowns in indoor and outdoor track. His still holds UM indoor records in the 800 meters (1:50.64), mile (4:04.33), and 1,000 meters (2:23.48) and the outdoor record in 1,500 meters (3:42.06).

MIKE NORMAN

Mike Norman (right) deserves a special place in UM indoor track history. He is the only man to hold four University records. In 1987, he set records for 440 yards (49.42), 300 meters (35.5) and 600 meters (1:30.6) and in 1988 for 400 meters (48.7). All of Norman's marks still stand today.

In 2003 he set a new UM record in the 60 yard high hurdles with the time of 7.71 seconds and two years later his time of 8.48 seconds became a new UM mark for the 60 meter hurdles. He also holds the UM outdoor record of 14.6 in the 110 meter high hurdles.

MAINE'S GREAT TWO MILE RELAY TEAM

A highlight of Maine's indoor track successes between 1933 and 1935 was due in large part to the efforts of its two mile relay team. Members of the group, shown with Coach Chester Jenkins, were, left to right, Joel Marsh, twins Ernest and Ken Black, and Bill Cole. Their performances included victories in the famed Boston Athletic Association Games, and third place in the nationals. Individually, the four runners won many events during their days at Maine, not only in indoor track, but in cross country and outdoor track. Ken Black was national 400 meter champion in 1935, setting a U.S. record in the event, and Marsh established a BAA record in the 880 yard race.

AMERICA EAST

Maine's indoor track program was provided with a new championship event in the 1988-89 season with the creation of the North Atlantic Conference (later renamed America East) Indoor Track Championships. Boston and Northeastern Universities and the Universities of Maine, New Hampshire and Vermont were charter members. Colgate U. became a member in 1989-90 but resigned after one year. The U of Hartford became a member in 1990-91. The U. of Delaware and Drexel U. became members in the 1991-92 season.

Drexel U. dropped indoor track in 1995-96. Towson U. became a member in 1997-98. The U. of Delaware and Towson U. resigned in 2001-02. Stony Brook and Binghamton Universities became members in 2001-02. The U. of Vermont discontinued indoor track in the 2002-03 and 2003-04 seasons. Albany U. became a member in 2002-03. The U. of Maryland at Baltimore County became a member in 2003-04. Northeastern U. resigned following the 2004-05 season.

Team scores of the annual championship meet are shown here.

MAINE STATE SERIES

The Maine Intercollegiate Athletic Association (Maine State Series) instituted a men's indoor track championship in the 1968-69 academic year. Competing teams represented Bates, Bowdoin, and Colby Colleges and the University of Maine. This event continued under MIAA sponsorship until the conclusion of the 1973-74 event. Subsequently, the head coaches continued to conduct the meet on an "invitational" basis until the conclusion of the 1992-93 academic year. Please note that Maine did not participate in the 1976-77 seasonal meet. Scores of meets in which Maine competed are listed below.

Charter members were the Universities of Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, and Vermont. Holy Cross was a member in one season only, 1971-72, while Boston U. became a member in the 1972-73 season. The final meet was held during the 1979-80 season. Roger Castle, 1921 UM grad and one of the strongest supporters of Maine's track and engineering programs during his long career, established the Pat French Memorial Trophy in honor of one of Maine's earliest track standouts. It was awarded for the first time in 1970 and went to the winning mile relay team in the state indoor track championship meet. Members of the winning team were, l-r, Chip Ellms, Jim Good, Gerry Stelmok, and Harry Miller. Miller, despite a painful leg injury, ran the anchor. The team's winning effort came in the final event of the meet and gave the Black Bears the team title. Their winning time was 3:42.3.

**AREL GORDON**

Arel Gordon, an outstanding back in football for four seasons, ran indoor track only one year (2006-07) but established new records in three events, the 55 meters (6.19), 60 meters (6.643) and 200 meters (21.29). He qualified for the NCAA Division I Championships and finished seventh in the 55 meters at the U. of Arkansas to earn All-American honors.
