Notes...riflery was a women's sport between 1927-28 and 1929-30. Subsequently it became a men's sport and remained so until the 1973-74 college year when it was changed to a coed sport.

Also included in this listing are women students who served as managers of men's sports teams and were awarded a varsity letter. Those sports were men's basketball, football, ice hockey, indoor track and soccer. Others included are women letter recipients who were invited to compete in two sports programs which were traditionally comprised only of men during the early years of the existence of those sports. They are **golf** and **sailing**.

Additionally, in the early 1930's the Athletic Board authorized the awarding of the varsity letter to members of **cheerleading** squads. This practice was discontinued in 1960, but re-instated in 1981. Also, the Board authorized varsity letter awards to members of the student **athletic training** staff, effective with the 1985-86 academic year. Female recipients in those programs are included in this section.

It should be noted that this compilation is the result of a review of lists of varsity letter recipients (when available) submitted by coaches and, if not available, from listings in the student newspaper and student yearbook. In some seasons, when no lists could be located, the author reviewed game results and utilized the traditional standard of 75% participation in games played to determine likely "M" recipients. This compilation took several years to compile and is believed to be accurate.

Each individual who earned the varsity letter is listed, followed by the year in which she received her bachelor's degree, or the fourth year following matriculation for those who left the university prior to graduation, the sport or activity in which she earned the award, and the season or seasons in which it was received.

****Individuals known to be deceased, as recorded in the records of the University of Maine Alumni Association, are so indicated. (d., deceased and date; d. u., date unknown)***
