Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

General Alumni Association of the University of Maine, Inc. (the Association) (a nonprofit corporation) is an alumni relations partner for the University of Maine (the University). The Association represents the interests of all alumni who share the common bond of having attended the University. The Association represents the alumni's thinking and their expectations to the University's leadership, to the student community, and to the residents and elected officials of Maine. The Association also represents the interests of the University to the alumni. The Association provides alumni with relevant programs, events, networking, information and incentives to encourage them to engage in an enriching lifelong connection with the University that benefits both the University and the alumni.

Financial Statement Presentation - Net Assets

The Association reports information regarding its financial position and activities according to two classes, net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are available for use in general operations and not subject to donor (or certain grantor) restrictions. Net assets with donor restrictions are those subject to donor (or certain grantor) imposed restrictions. Some restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Basis of Accounting

The Association prepares its financial statements in accordance with generally accepted accounting principles, which involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash equivalents include time deposits, certificate of deposits, and all highly liquid debt instruments with original maturities of three months or less.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Concentration of Credit Risk

The Association maintains its cash and certificates of deposit balances in a single credit union located in Orono, Maine. These balances at times may exceed federally insured limits. The Association can be exposed to risk on cash and certificates of deposits. At June 30, 2020 the Association's certificate of deposit exceeded federally insured limits by \$44,512.

Accounts Receivable

Accounts receivable is stated at the amount management expects to collect from outstanding balances. The Association considers accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts has been established. If accounts become uncollectible, they will be charged to operations when that determination is made.

Beneficial Interest in Endowments

The Association is beneficiary of income from certain donor established, endowed funds held at the University of Maine Foundation (Foundation). Under the terms of the funds, the Association has the irrevocable right to receive the earnings as determined by the spending policy established by the Foundation's board of directors. The fair value of the beneficial interest is recognized as an asset and as a restricted contribution at the date of the gift. The Association's estimate of fair value at each reporting date is based on market value information received from the Foundation. The Association receives a distribution based on the general spending policy of the Foundation.

The Foundation utilizes a spending policy for its pooled endowment in order to provide for the current and long-term needs of endowment recipients. The spending policy determines the endowment income to be distributed. For the year ended June 30, 2020, the Foundation's spending policy has a target spending rate of 4.5% consisting of a 3.25% distribution to the University and 1.25% administrative fee. Distributions are calculated as of September 30 of the previous year based on trailing twelve quarter average market value of the endowment pool.

Long-term investments - Board Designated Endowment

The Association has invested unrestricted gifts in the General Endowment Pool at the Foundation. The investment is valued based on current market values of the underlying assets as provided by the Foundation. The investment may be withdrawn at any time.

Contributions

Contributions received are recorded as with restrictions or without restrictions, depending on the existence or nature of any donor restrictions. Promises to give, less an allowance for uncollectible pledges when applicable, are recorded at the amount pledged, which does not differ materially from their present value.
