Re: ***Kenneth W. Allen Scholarship***

Dear Dana,

Supporting students in advancing their education is one of the most meaningful ways to help create a better future. I am pleased to share recipient information with you for the Kenneth W. Allen Scholarship for the 2025-2026 academic year. This fund has provided \$500 in scholarship assistance. The University's Office of Student Financial Services has provided us with the following information about the recipient:

Jesse Cook is a senior majoring in mechanical engineering at the University of Maine, who lives in Perry, ME and graduated from Shead High School in Eastport, ME.

Enclosed is a letter of thanks received from the recipient, who wants to express their appreciation for the generous support that the Kenneth W. Allen Scholarship has provided them while pursuing their education.

Scholarships such as yours are important to UMaine students at a time when financial aid is so crucial to their success. It enables deserving students to realize their exceptional potential. On behalf of Jesse, the University of Maine Foundation, and the University of Maine, thank you for your commitment and generous support.

If you have any questions, please do not hesitate to contact Dee Gardner in our Portland Office at (207)245-3656 or by email at dgardner@maine.edu.

Sincerely,

A handwritten signature in dark ink, appearing to read "JN Mills".

Jeffery N. Mills, Ph. D.
