Re: Kenneth W. Allen Scholarship

Dear Mr. Doloff,

I am honored and grateful to be a 2025-2026 recipient of the Kenneth W. Allen Scholarship. I would like to express my heartfelt thanks to you for believing in my potential and providing me with this incredible opportunity to further my education.

My name is Jesse Cook, and I am a Mechanical Engineering major in my third year at the University of Maine. I am from a small high school in Eastport, Maine. At the moment, I want to concentrate in the aerospace field and work in this industry after I get my bachelor's degree.

Thank you for your thoughtfulness and support. Not only will this scholarship help with my financial situation, but it will also directly impact my ability to fully concentrate on my studies as I won't have to worry about financials. I can see that scholarships have a huge impact on students so I will make the most of this opportunity that you have given me so one day I can give this same opportunity to students as you have to me.

Sincerely,

Jesse Cook
